My dear Lindley

I wish you a merry Christmas & a happy new year. This morning we all got up at 6 o'clock because Aunt Emily went away this morning. We were very early so we had to wait a long time before the steamer went off. After she was out we took Mr. Eberts home. Then we went round Beacon Hill & then went home. There has been some white frost. I have made a sleigh which is a good one.

Now I must say good bye.

I remain your loving brother,

A.D. Crease
