

Some Select Bat Resources

Little ones will love the picture book *Stellaluna* by Janell Cannon. Beautiful illustrations. The Ugly Duckling story but told through the eyes of a fruit bat.
<http://www.storylineonline.net/stellaluna/>

For older middle readers, Kenneth Oppel's wildly successful and well researched *Silverwing* series is populated with insectivorous bats (the only kinds we have in Canada).

Build a Bat Box

Canadian Wildlife Federation

Learn how and why to build a bat box.
