Keep it child appropriate, Vanya!

We just traveled back in time to Fort Victoria February 22, 1885.

How did I know that?

What just happened?

Huu guys?
People are staring.

That dress looks really cool! I wish I had it.

Wow

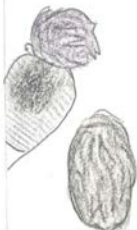

Woah, Alexx
What are you
wearing?

I don't remember
you wearing
that before we
came through.

Where
did you
find
those?

...

I don't know!
I was looking at
it in the shop
window and now
I am wearing
The dress.

Could you change
our clothes so
that
we blend in more?

I can
try.

I found
a Hudson's Bay
Company's catalog
on the ground,
we can pick from.

We can go into an
alley and I will
choose your outfits,
you guys have
no fashion sense.

Fine.
We want

I still
want to

I wish we
had something
to restrain
Joey.

That was wierd,
but well timed.

Well now
I've got
two flaming
friends.

Still Screaming

Not Joey.

The guy who lost his horse.

Yes, lets go.

Help

these are my friends

The stable is that way.

I am going to get some lemonade.

Skylar:
Wait who said that?

Ream:
Who said what?

Skylar:
Very funny, really who said that?

Yanya:
What are you talking about?

Skylar:
Who keeps talking about the missing horse?

Why is the goat talking?

What is the goat saying?

I can't believe three men just came in and stole Albert.

And they went into town.

I know! That was not smart someone will surely see them.

I can't understand what the chickens are saying they aren't speaking english.

Eg hieli Jonesi

Jeg elona pig

But the rest are saying that three men just stole Albert and went into town. I'm assuming Albert is the horse.

eg a lif

Blar

fieyia

We now have
a place to
start.

Let's go
ask
Robert
for a
description
of the
horse.

We should find Robert
to tell him of our
findings.

I wish
I had
super
powers too.

You know It
would be great
to get a birds
eye view
of the
town?

Poof!

What?

I'm
right
here!

You're invisible!

Well, turn back quickly, we have to go.

Can we have a disc ripton young horses

as we think people took him into the town?

(sniffles)

Brown with a white dimond on his head.

Why don't I go see if I can locate the thieves in town?

Sounds good.

Hooorrrsse!

I think
that's
them!

I have to
go tell the
others.

Mä en
haluu lapsia
Inhoon
salmiannia

Mulle ei oo
ongelmia

That's them! The thieves
are sitting by the window
talking about how they
have someone interested
in buying the horse.

How can you understand
them, they are
speaking Finnish.

They
are?

It sounds
English.

That dose
not matter
right now.

What matters
is trying to get
Robert's
horse
back.

Let's ask the tavern owner
if they have reserved rooms,
that will tell us if they
can speak English and if
they are planning on staying
in town.

Excuse me sir,
have those
three men
sitting by
the window
reserved rooms
for the night?

We believe they
are horse thieves.

Yes, they did, are you
sure and would
like me to
send for the
sheriff?

That would probably be a good idea, we don't want them stealing any more horses.

come with us to
identify
him?

I will
come.

Where
are we
now?

We are in
Babine Lake.
The date is
March 1st, 1971.

We would need
clothes!

Nice!

....

Don't judge
me.

Okay, so I was thinking.
Why were we transported
back in time? Why were
we given superpowers?
Why were brought
here? Are we here
to help people
throughout time
who needed our help?
if so, who are we
supposed to help here?

Help! Help!

Well that
was
convenient

Hey!
Are you
ok?

Do you need help at all?

Yes, I think I've sprained my ankle.

This isn't gonna work....

No it aint.

So where'd you need me to take you?

The camp, it's just over the next hill.

You ok down there?

Yes I'm fine.

So what's your name kid?

Vanya Rane, yours?

Was that all we
were sent
here to
do?

I don't
know.

Maybe

wasn't.

Hey! I have
uncles named
Richard and
Leon.

Are you ok
Vanya?

Your
paler
than you
already
were?

...
UHHH

We're digging
up the remains of a
wooly mammoth that
was found here.

What
are you
doing
here?

Cool!

Nice Response

There, ya

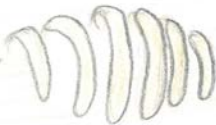

HIPPY

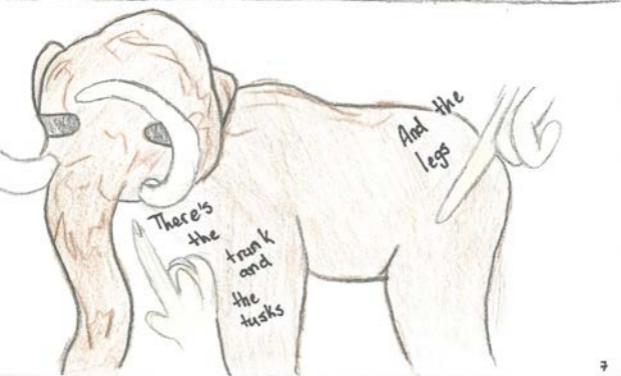

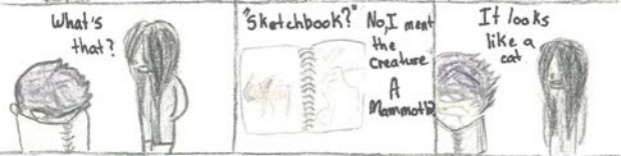

Can
we
see?

Sure,
it's this
way.

Nooot!

GasP!

Any ideas
to get rid
of the
Mammoth?

I could turn
into a dragon
and kill it?

NO Killing!

Would it be better
If I were pink?

NO!

What about a
strait
jacket?

That's
cruel!

What about
fire?!

Don't hurt the
Mammoth.

But what if I
burn it just
enough to scare
it away

We're not going
to hurt it!

Plus, we don't
want to scare
it away, it
may hurt
someone.

What if I light it on fire,
and then...

Paawow!

your sketch book
in the Mammoth's
path. If it came
from the sketch
book it is only
logical for it to
return to it.

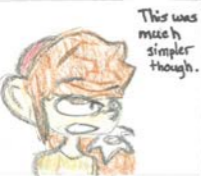

If it doesn't work,
you owe me
