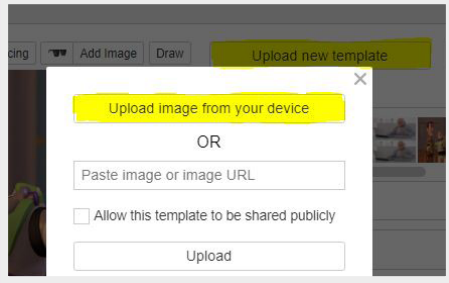
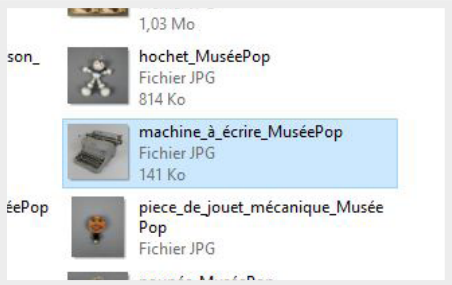
First of all, go to
imgflip.com/memegenerator
Select *CREATE MEME*

1. With the cursor, choose a format on which the text layout will depend.

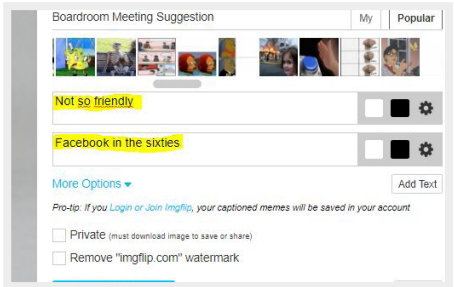


2. Click *UPLOAD NEW TEMPLATE,* then *UPLOAD IMAGE FROM YOUR DEVICE*

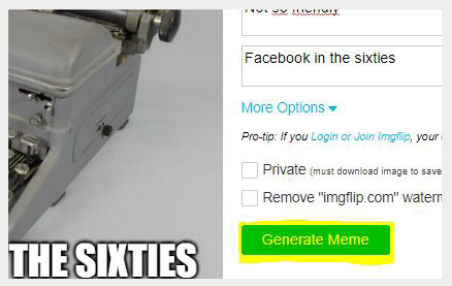


3. Select the image of your choice among those you have downloaded.

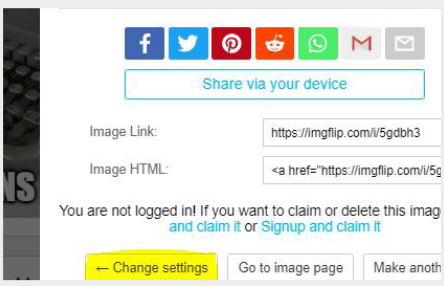
4. Click on *UPLOAD*



5. Transcribe your text
Pay attention to the spelling!

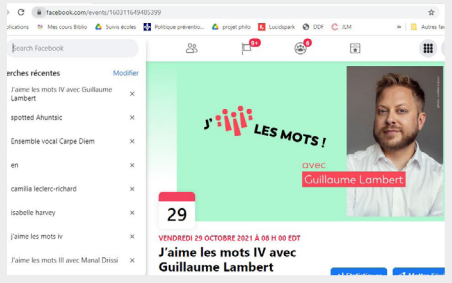


6. Click on *GENERATE MEME*



*** In case of error, it is always possible to go back... ;-)

7. Right click and save your meme in a folder *CLASS MEMES*



8. On Facebook, search for the event *J'AIME LES MOTS IV*

9. Create a publication and publish your masterpiece!

*** Don't forget to identify yourself, your school and teacher, as well as the credit.
